This presentation was for the policy rule Early Guidance that transitioned into an OAR informational briefing. I'll be able to share materials for Early Guidance prior to the official Early Guidance meeting, but that has yet to be scheduled.

For the scope of the technical rule, please see this pager shared with the workgroup prior to the 12/7 meeting. Give me a call if you have any questions. Thanks!

Hi Lisa – Is there a presentation yet that can be shared? I'm going to go to management in R8 to seek approval to waive the Analytic Blueprint for the technical proposal and just wanted to understand what exactly was getting proposed in the technical piece of the rulemaking.

All,

Bill is still reviewing the presentation, and unfortunately I can't yet circulate it to the workgroup. I'll send something out as soon as I can. The presentation still contains the same information we talked about this morning – please give me a call if you have any questions.

Thanks,
Lisa

All,

Today we briefed Bill Wehrum on the Early Guidance materials. He has requested significant changes that are currently being reviewed by management, so unfortunately I'm not able to distribute the presentation today. I anticipate being able to circulate a copy by the end of the day tomorrow, but during our morning call I can walk through the materials verbally.

Thanks,
Lisa

Discussion of materials for Friday's 9:45 Early Guidance with the Administrator. Materials to be sent out Tuesday 12/12 COB.
